

The fresh design street light luminaire in the 'mini' shape, ranging from 20W to 40W, is the ideal solution that fulfils requirements for functional street and residential lighting. The design has outstanding heat dissipation all in a beautiful compact design. Fitted with high-quality electrical components such as Inventronics drivers, a long lifespan allows us to offer a warranty of 5 years. The tool-free design allows for easy and safe access for minimal cost maintenance.

Luminaire Power	180,00 W
ProductName	MS68 Large 180W AC
Lumen	27 000
LEDName	Luxeon 5050
LEDType	SMD
Lens	Ledil
LEDK	4000K
Driver	Inventronics
BeamAngle	150*70 Deg
Coverage	
CRI	>70
IP Rating	IP66
Operating Temp	-30 to +45
Voltage Input	108-305VAC
Material	Aluminium Alloy
Mounting Height	9-10m
Pole-to-Pole	40m
LifeTime	
Photocell Option	
Motion Sensor Opt	
Colour	
Warranty	5 Years
Pole or Base	Not Included
